"THERE is no difference between a place run like that and the other saloons of the country."-P. A. Baker, Superintendent of the National Anti-Saloon League.

Mr. Baker is speaking of the Subway Tavern, under the auspices of a number of prominent gentlemen in New York, which was opened a few days ago with religious services by Bishop Potter. This "saloon" sells to no one who is drunk; doesn't sell its patrons enough to make them drunk; doesn't admit disreputable characters of either sex; furnishes pure liquors, as well as all sorts of "soft drinks," and is alto gether more in the nature of a "Poor Man's Club" than a saloon. And yet the impracticable Mr. Baker can see no difference between this and the "dive" where men are drugged into insensibility and then robbed or murdered. With such asses as BAKER at the head of the temperance movement it's no wonder it has proven a dismal failure.

THE people of Mississippi have become very much aroused over the refusal of the Postoffice officials at Washington to name a Postoffice "Vardaman," in honor of the Governor of that

The reason why the Washington officials declined to thus honor the Mississippi Governor is found in the villainous attack of that person upon the mother of President Roosevelt. The reference to Mrs. Roosevelt appeared in an editorial in Governor Vardaman's paper, The Greenwood Commonwealth, January 10th, 1903. It reads:

"It is said that men follow the bent of their geniuses and that prenatal influences are often potent in shaping thoughts and ideas in after life. Probably old lady ROOSEVELT, during the period of gestation, was frightened by a dog and that fact may account for the qualities of the male pup which are so prominent in Teddy. I would not do either an injustice, but am disposed to apologize to the dog for mentioning it."

It would be hard to conceive anything more villainous than this assault on a defenseless woman, and coming from the Governor of a state, too, presumably—but presumably only a Gentleman with a big G. It is not too much to say that if a Northern Republican Editor had used such language in regard to the mother of President CLEVELAND, he would have been expelled from the community which he had disgraced, and deservedly.

But VARDAMAN-Governor VARDAMAN, if you please, even Gentleman VARDAMAN with a boldface capital **G**—reiterates his dastardly attack through this brazen "reply" to his critics-

"I have never in all my life written or said anything derogatory to or that rested upon the fair name of the good mother of ROOSEVELT, or any good woman. I am not responsible for what the campaign liars ascribed to me during the campaign in Mississippi last year, and I protest against being misrepresented. All that I have ever written or said about the ancestors of the said THEODORE ROOSEVELT was in defense of said ancestors against the unjust charge of responsibility for the moral and racial degeneracy of the accidental occupant of the White House. whose conduct, if persisted in, in the Vardeman Postoffice matter, demonstrates his infinite littleness."

What a splendid type of the "Southern Gentleman" is Governor VARDAMAN of Mississippi!

Unless they are, good health is impossible. Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound

kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease

or Diabetes develops. FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

if You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."
